

**2/26/23**

**Newport Museum (main site)-**

- Building owned by r9q (banned)
- Collection owned by NightSteak9 & Members of the FHS (exeption- Salc1 armor set, most displays in Snakyman's room)
- Snakyman does not object to the FHS creating a new 'main site' in Newport.

**Cigar Tower Condos-** Originally built by r9q. Owned by NightSteak9, used as FHS housing.

**Imperial Tower-** Purchased by NightSteak9 over a year ago, fully owned.

**Empty Plot Next to Museum-**

- Fully owned by NightSteak9
- New library being constructed in place of what would be Heese HQ

**Hell Islands-**

- Newport outskirts
- Fully owned by NightSteak9

NightSteak9 has given the Freedomian Historical Society permission to use these buildings, and FHS supervisors permission to edit them.

**NO MEMBER of Newport Staff or the FHS has permission to take artifacts outside the buildings, unless authorized by NightSteak9. Theft from Newport will result in an end-of-contract with the city, theft from museum staff will result in membership termination and headhunting of that member.**
